

# AMOL KIRAN VYAVAHARKAR

## Web Developer

+91 9920341874 • amol07@live.com • <https://www.linkedin.com/in/amolksv/> • Mumbai

### Summary

With 4.8 years of hands-on experience, I have adeptly led the development and management of diverse projects leveraging ASP .Net, C#, and Microsoft SQL. My expertise extends to data analysis, reinforced by certification in the Google Data Analytics Professional Certificate, where I mastered tools such as SQL, Excel, and Tableau. This skill set empowers me to craft compelling and influential experiences in my professional pursuits.

HTML5 • CSS 3 • Bootstrap • JavaScript • jQuery • C# • ASP.Net Core • ASP .Net MVC • ADO.Net • ASP .Net Web API • Microsoft SQL • Adobe Photoshop • Adobe XD • Figma • Azure OpenAI Studio • SAP SF • People Strong • Power Apps • Power Automate • Power BI • ChatGPT • Azure Portal • Python • Tool / Technology

### Experience

#### Godrej Industries Limited

Mumbai

##### Consultant Web Developer

07/2023 - Present

- Skilled at leading detailed discussions to understand project needs, planning strategies, turning complex business requirements into effective software solutions, designing solution structures, carrying out development tasks, creating database components, and ensuring smooth deployment processes
- Engaging in collaboration with cross-department teams for a large-scale project
- Developing automation scripts using both Python and C# to generate daily reports in PDF and Excel formats.
- Implemented an AI solution using Azure OpenAI Studio to enhance the My Learning Space portal, providing intelligent recommendations for learning resources.

#### e-Emphasys Technologies

Mumbai

##### Associate Software Engineer

01/2022 - 07/2023

- Leverage the Report Designer tool in InforLN to design reports, utilizing the existing SSRS reports as a foundation, and make necessary adjustments to the report scripts.

#### Pixie IT Solutions

Mumbai

##### Junior Web Developer

12/2018 - 12/2021

- Professionally responsible for the development and ongoing maintenance of websites for esteemed organizations including Godrej Industries, Cipla, RPG Enterprises, and CEAT Tyres.
- Effectively manage website databases utilizing Microsoft SQL Server.
- Utilize Adobe Photoshop to craft diverse mailer templates, website images, and logos.
- Create and edit corporate-related videos using Sony Vegas Pro.

#### Godrej Industries Limited

Mumbai

##### Internship

06/2018 - 12/2018

- During my internship, I developed the My Learning Space portal for Godrej, which continues to serve as an enduring learning platform for employees.
